## **Know your Crucial Role in World Missions**

How can God use you with your own unique gifts and interests to reach the world with the Gospel? The face of missions is changing. It's not only going into the jungle anymore—missions is all around you. Whether it's business, healthcare, computers, or even Facebook, God can use you throughout the globe, especially places where the Gospel is not welcome!

Are you willing?

**Concert Tickets:** \$5 at the door

Pre-register \$4 (\$3 for sponsoring churches) before January 29
